

ERATE Year 12 (2009-2010) RFP

Kings River Union Elementary School District

Internal Connections Wiring

INVITATION TO BID

TERMS AND CONDITIONS OF REQUEST FOR PROPOSAL (RFP)

General Considerations:

Kings River UESD is requesting bid proposals under the E-Rate categories of Telecommunications Service, Internal Connections, and Internet Access.

1. An approved contract for Telecommunication Service will cover the period between July 1, 2009 and June 30, 2010.
2. Internal Connections will cover the billing period of July 1, 2009 to June 30, 2010.
3. Internet Access will cover the billing period of July 1, 2009 to June 30, 2010.
4. Vendor must be willing to participate in the FCC E-Rate Program and is responsible for complying with all rules and regulations of this program, including providing invoices to the Schools and Library Division in order for the school system to receive appropriate discounts.
5. Vendor must provide one primary contact number for all billing inquiries.
6. This bid is made without any previous understanding or agreement with any other person, firm or corporation making a bid for the same purpose, and is in all respect fair and without collusion of fraud.

Selection Criteria:

Kings River Union Elementary School reserves the right to reject any or all proposals and select the bid that offers the best overall benefit to the school system. Along with price, special consideration will be given to proposal of components/services that we believe offer the highest quality and usability. In addition, special consideration will be given to vendors that are stable and have established themselves in the market. Price is the primary consideration but not the only consideration per FCC rules for evaluating RFP's for E-Rate. Special consideration will be given to the following:

Vendor Qualifications

1. In order to submit a proposal, the vendor
 - a. Must be registered as a service provider with the Schools and Libraries Division (SLD) of the Federal Communications Commission (FCC), have a Service Provider Identification Number (SPIN) and comply with all SLD service provider requirements.
 - b. Must have a minimum of five years experience in the area of expertise of this RFP.
 - c. Must have highly-qualified network engineers and technicians on staff, capable of diagnosing problems quickly and providing/recommending solutions.
2. Proposals submitted by the vendor must comply with the competitive bidding requirement of the SLD for Universal Service Fund services and support, along with state and local bid laws.
3. Vendors must be able to provide at least six references from customers with environments similar to KINGS RIVER UESD. Reference information must include company name/project, contact name, address and telephone number.
4. The vendor must provide information regarding availability of technical support (on- site). Vendors must have a maximum travel time of 30 minutes to Kings River Union Elementary School District and must be available upon request.
5. The vendor must provide a history of the company, strengths and stability, including years in business, licensing information, years in providing the type of proposed service, existing customer satisfaction, number of customers in California and areas covered in California.
6. The vendor must certify that no federal or state suspension or debarment is in place which would preclude receiving a state or federally funded contract.
7. The vendor must provide a letter of solvency and a letter from a Surety Company stating maximum bonding capacity.
8. The vendor must provide a certificate of liability insurance.

The vendor performing the integration portion of the work will be responsible for disconnecting and moving equipment out of and into racks to facilitate the work being performed by the wiring vendor. The integration vendor will also be responsible for making sure that all equipment is again functional when the server room has been reorganized and that should be in the specification.

Regarding Patch Cables: Vendor shall provide multi-mode fiber patch cables as required as follows: MT-RJ to ST at MDF (5 meter), ST to ST for cross connects (1 meter or less), ST to LC at IDF cabinets (1 meter)

Please Note: All projects must be bid separately

Terms, Maintenance, and Support

1. Entrance into any formal agreement/contract with a provider is dependent on Schools and Libraries E-rate funding, and appropriation of funds by Kings River UESD.
2. The winning vendor must agree in writing that Kings River UESD can terminate a contract, if one is signed, regardless of the contract term if the provider does not provide the service as outlined in their proposal or if the e-rate funding program is discontinued or reduced.
3. The RFP requirements outlined in this document will become contractual obligations if a contract ensues. Failure of the successful vendor to accept these obligations will result in the rejection of the proposal.

Service

1. Discuss your diagnostic and repair capabilities, focusing on your ability to quickly and accurately identify and resolve reported problems.
2. Vendors must commit to fixed maintenance windows during weekday hours only. There must be no network disruptions during weekday daylight and evening hours except for emergencies.
3. Vendors must commit to email notification of school board personnel for emergency outages that are not pre-scheduled, even if this occurs in nights and weekends.

Support

Identify the make up of the technical staff who will be assigned to Kings River UESD, citing their experience with the proposed service.

Pricing

1. The vendor is expected to comply with Universal Service rules and bill the SLD and the school board separately for the proper proportions on each invoice when the service begins. Kings River UESD prefers to pay only the non-discounted portion and shall be invoiced only for this amount. The discounted portion will be invoiced to the Schools and Libraries Division (SLD).
2. Vendors are expected to write all prices and descriptions in a legible manner so there will be no doubt as to the intent and scope of the proposal.
3. The proposal must be priced with delineation of e-rate eligible/ineligible items, installation/training charges, non-recurring charges and recurring charges clearly defined, as required by the Universal Service Fund rules.
